If you want to get out and about but have difficulty using public transport, then Car Scheme Plus could be the answer.

A new Peugeot Expert has been adapted for wheelchair users and offers a door to door service for people of all ages. For an affordable fare you can travel in safety and comfort to make those important appointments, get to work or simply socialise with friends.

The vehicle is able to carry a mobility scooter and up to 3 passengers. It is also filled with a turny seat that comes right out of the car enabling the passenger to sit on and be lifted into the vehicle, this will be particularly useful for people with limited mobility.
