Bassetlaw Self Help Link

Bassetlaw Self Help Link provides a support service for groups within Bassetlaw. Our main aim is to inform, communicate and develop our network of service users and encourage new/potential groups to expand. We enable people concerned with their own health, disability and social issues to develop support systems through self help and mutual aid.

Services include:

- An information enquiry service
- Advice on starting a group
- Practical services for groups such as photocopying, letters, posters, mailbox.
- Promotion of local networks
- Self help Directory and Wall Chart
- Database and Website
- Small Resource Library
- Flip Chart/Display Stand
- Partnership Room for group meetings
- Access to funding
