## WHY WE HAVE PRODUCED A DIRECTORY OF OLDER PEOPLES SERVICES

Bassetlaw is fortunate that it has many active groups to support and improve lifestyle. Access to information about how and where services are provided is very important.

As a result, Bassetlaw Action Centre produced this Directory to inform Older People about the services available.

## UPDATING THE DIRECTORY

We want to keep the information in the Directory as up to date as possible. It will be amended every twelve months. An on-line version is available at [www.bassetlawactioncentre.org.uk](http://www.bassetlawactioncentre.org.uk)

We have tried to include as much information as possible but there may be gaps. You may know about a service/group that should be included in the Directory or a service/group that no longer exists. If you want to make amendments to the information, please contact

### **AURORA WELLBEING CENTRE – WORKSOP**

The Aurora Wellbeing Centre in Worksop is a unique therapy service providing support in the Bassetlaw community for people affected by cancer and long-term health conditions. We encourage people to be active participants in their wellbeing, working together to improve physical and emotional health.

We deliver our services for Bassetlaw from the Old Library and Museum building in Worksop. We open at 9am Monday to Friday and close to the public at 4pm. Our therapy appointments close at 5pm.

From our Therapy Suite we offer specialised cancer support, beauty and holistic therapy, one to one and group counselling, wellbeing workshops, family therapy and counselling for young people affected by cancer and regular support groups.

From our Heritage Hub we encourage people to engage with local heritage in many ways to boost wellbeing. We deliver activities inspired by history and heritage including a Heritage Café, Art Therapy groups, History Maker family events and heritage-inspired social groups. We are open to visitors every day and share the history of Worksop through handling objects and sharing stories.

From our Curve we have a range of fitness equipment and run a programme of specialised exercise sessions, with some general sessions for the public. We also run regular exercise groups such as Tai Chi, Pilates and Yoga.

From our Community Space we have a tea-room, charity shop, hireable meeting rooms and community spaces. Valerie's Tearoom overlooks the park and has a selection of home cooked food. Our popular charity shop is volunteer led and is the place to pick up a bargain. Our meeting and community rooms are used as relaxed spaces for support groups including a regular bereavement group, prostate cancer support group, partners group and drop-in support groups for people with long term health conditions; as well as rooms to be hired out for meetings, workshops and training.

We are open to everyone and have a varied programme of sociable, supported, educational and relaxed activities, events and projects to boost your wellbeing.

### FREE CONCESSIONARY TRAVEL SCHEME

Who is eligible?

The scheme no longer provides a free pass automatically at the age of 60. Instead, the qualifying age is now linked to the state pension age. To see when you will qualify for a free pass on age grounds, have a look on [www.gov.uk/calculate-state-pension](http://www.gov.uk/calculate-state-pension)

You are an eligible disabled person if you:

- are blind or partially sighted
- are profoundly or severely deaf
- are without speech
- have a disability, or have suffered an injury, which has a substantial and long-term adverse effect on your ability to walk
- do not have arms or have long term loss of the use of both arms
- have a learning disability - a state of arrested or incomplete development of mind which includes significant impairment of intelligence and social functioning, or
- would have an application to drive a motor vehicle refused due to your disability.

When can you use your pass?

The National Concessionary Pass allows you to enjoy free off-peak travel on local buses anywhere in England. The national free entitlement operates between 9:30am and 11:00pm Monday to Friday and all day at weekends and on public holidays.

How do you apply for your travel pass and how much does it cost?

The concessionary travel passes are initially free of charge, however if you lose your pass a fee may be charged for the replacement.

### **BASSETLAW TELEPHONE BEFRINEDING**

#### **Face to Face Befriending**

Our befriending scheme can receive referrals from anyone who is suffering from extreme loneliness. Befriending is a means to reduce isolation and increase independence.

Our clients are placed with a befriender who will visit them for one hour a week in their own home or telephone them to chat and encouraging them to make positive choices to help them to help themselves.

When the clients are referred to us, we match them with a volunteer, who may have similar interests and hobbies and lives in the same area. This service is free of charge, but there may be travel costs incurred for the volunteer mileage if they are visiting in the home.

#### **Telephone Befriending**

Our telephone befriending is a free service which offers weekly calls made to our clients by volunteers.

As with home visits, we ensure to match our clients with a volunteer who may have similar interests or hobbies, and the volunteer will encourage clients over the duration of the call to make positive choices.

For those clients who are unable to have home visits or use the telephone we may be able to offer befriending letters.

### **Peer to Peer Befriending**

Peer to peer befriending is a great way for clients to support each other through weekly telephone calls. Befriending not only benefits the person who receives the call but also the person who provides the call. People often volunteer for Befriending as a way to reduce their own isolation and loneliness whilst helping another person.

As such we now offer Peer to Peer Befriending Support. This is where 2 clients waiting for a volunteer will contact each other via telephone and Befriend each other. This enables both clients to give and receive support, build friendships and help each other overcome their feelings of loneliness and isolation.

For more information, contact Bassetlaw Action Centre
